QA Notes: Client is nice and good listener. We have to register him on Google to the home address mention below. Wayne told him that will take a week to come live after the post card arrival. We have to target 25miles radius for him gradually. Now we sell GMB for \$225 and website for \$750 with 50% up-front payment. Wayne guided him about pictures, client will provide pictures later on till then Wayne will take care of that part. We have to use the American flag theme for his website as per he suggest the color should be red, blue and white.
