QA Department Notes:

Client is humble and understanding. He is already registered on Google and has a website <https://interqualitypainting.com/>. Ross quoted \$225 for his listing optimization. He is looking for good results so we have to perform well to make him our permanent client. Clients want to target mostly (exterior painting) so deal him accordingly. Ross transfers the call to Derrick. Derrick sent him a zoom meeting link and further talked with him on zoom and pitched him for a new website but he denied. Derrick told him to give more couple of months to this campaign to see great results. Client said to Derrick straight forward if I see the results then I will stick with you otherwise I will cancel the service and Derrick said yes does that make sense and you will see the results.

Additional Notes:

Ross closed the sale.
